15. SUMMARY:

(C) This report contains information obtained from enemy documents captured on an unknown date and concerns three notebooks, a personnel roster, and a self-critique statement. The notebooks, with entries either undated or dated between February and April 1968, maintained by unidentified persons, contain a "black" list of RVN officials, RVNAF personnel, and Vietnamese employees working for the U.S. Government in Hue City and its outskirts. The personnel roster, undated and maintained by an unidentified individual, lists the names of 18 RVN personnel who were captured during an attack on a prison camp conducted by the VC ((possibly on 1 February 1968)). The self-critique statement, undated and prepared by Van Dinh Que, a worker in the Central Hospital in Hue City, reveals that Que was planted by the VC, but left this position to serve in a ((VC)) surgical company on 3 February 1968.
